Date: August 21, 2019

SAU #19 is pleased to announce Mr. Lyle Hamel as the new Curriculum Coordinator at Mountain View Middle School (MVMS), effective July 1. Lyle will be responsible for overseeing curriculum, instruction, and assessment in accordance with state standards.

Lyle has been with the Goffstown School District since 2012 when he was hired as a chemistry teacher at Goffstown High School. He earned his Masters in Education from Southern New Hampshire University in 2017 and currently holds certification in chemistry education and curriculum administration.

According to Wendy Kohler, Principal of MVMS, “Mr. Hamel has an excellent reputation of supporting and engaging students from his tenure as a classroom teacher at Goffstown High School. He is committed to serving the students of SAU #19. He will be an asset and an exceptional addition to our administrative team here at Mountain View Middle School.”

“I am thrilled to continue to work in this district that has offered me so much over the past seven years,” said Lyle. “I look forward to maintaining a visible presence to see all of the wonderful things that our teachers do in their classrooms every day in order to advance student learning.” Lyle lives in Manchester with his husband Matthew.
