Here at Maple Avenue, we want to build a positive school community. One way we do this is through the use of Recognition Tickets.

Grade-level teams meet each trimester to determine skills that they believe their students need to focus on. Staff members reference these focused skills, which are posted on the Recognition Ticket bulletin board, and award tickets to students found demonstrating the targeted behaviors.

When a student receives a ticket, they put it in the Recognition Ticket box. Each week, tickets are pulled from the box and one student from each grade level is recognized during announcements. The tickets are also posted on the bulletin board for everyone to read. There is another set of students from each grade level who have lunch with the principal as recognition and reinforcement of their positive efforts.

We are all rewarded for activities we do throughout our lives, whether it be with a paycheck, an extra thank you, or an unexpected treat. These Recognition Tickets are a way to reward our students for following expectations and making our school an inspiring and cheerful place to be.

PAT'S PEAK SKI SCHOOL

If your child's dismissal plan will change on the five Fridays of Ski School, (January 5, 12, 19, 26 and February 2) please email the office and your child's teacher with the details as soon as possible.

The office email address is mapleoffice@sau19.org

Students in Mrs. Tereschuk's first grade class wrote opinion pieces on where Santa should go for his well-deserved vacation.. Popular destinations were the beach, Disney World, Aruba, and the Bahamas. Lucky Santa!

Special Program Opportunity! HORSE POWERED READING®

What is Horse Powered Reading?

An innovative, experiential and fun approach for youth ages 8 and up, to effectively build and strengthen reading skills.

Horse Powered Reading integrates social emotional learning with academics to improve literacy. Connecting with horses reinforces basic skills, effectively motivates learners, and encourages learning retention in a non-traditional, and supportive environment. Horses are natural teachers. Each have a distinct personality, along with defined social roles within their herds, allowing students to identify, relate to, and connect with them. Horses help participants reflect on how we approach relationships, learning, and challenges.

Why Horses?

HORSES HELP TO MAKE BUILDING READING SKILLS FUN

Each session is tailored to individual needs and the content for each session varies depending upon the skills being addressed. Horse Powered Reading offers students the opportunity to externalize reading challenges to explore and practice new skills and solutions in an emotionally safe and supportive environment.

HORSES HELP TO BUILD CONNECTION!

The horses are honest and present and respond openly without pretense. During Horse Powered Reading, the horse 'becomes the book' - the metaphor for connecting with the text, or content of the book. Horses offer immediate feedback for experiential learning to take place.
