Today, students in 3rd and 4th grade attended a Student Council assembly to learn more about the responsibilities of being a classroom representative. Nomination forms will be due to classroom teachers by the morning of Tuesday, October 10 and class elections will occur the week of October 10-13. The first Student Council meeting will be held during the 3rd/4th grade lunch and recess blocks on Wednesday, October 18. This year's Student Council Advisors are Mrs. Gaudette, Ms. Blouin, and Ms. Pruneau.

FAMILY NIGHT INFORMATION

Families are invited to visit their child's classroom during the evening of Monday, October 16th. The students and teacher will show and share some of the learning activities, routines, and student work that has taken place so far this year. Teachers will have a scrolling slideshow running during this time that will have additional information and photos from various learning opportunities. This slideshow will also be placed in the classroom course within Schoology inside the Important Information folder. If families are unable to attend the Family Night, they will be able to view the slideshow.

Due to the large class sizes and overall school population, each teacher has been asked to split their class into two sessions. Please refer to information from your child's classroom teacher regarding the split.

The students are excited to show what they have been learning!
