HALLOWEEN HAPPENINGS

On Tuesday, October 31 we celebrated Halloween at Maple Avenue with a parade down Maple Avenue and classroom parties. The weather was beautiful and it was great to see so many families turn out for the parade. A special "thank you" to Goffstown High School's marching band. They have joined us annually for many years and their music adds a special "spooky" flair to this event.

BUS LINE ACTIVITIES

At the end of the day, many students who ride the bus have an extended wait in the gym. Being engaged in appropriate leisure activities can make the time go faster, and more smoothly. Please consider having your child keep some table top activities in their backpacks for the long wait. Card games, drawing materials, coloring books and activity books are all great ideas.

Parents Please Sign up For Schoology. Here is the link to get started:

CAR LINE REQUEST

In order to keep the parent drop off and pick up lines moving as efficiently and safely as possible, we ask that parents/guardians remain in their cars in the driveway. If your child cannot exit or enter the vehicle independently, please consider parking on the street and walking to pick up your child. Thank you for your assistance.

DESTINATION IMAGINATION

We are very excited to once again offer Destination Imagination (DI) to Maple Avenue Elementary students. Destination Imagination is an extra-curricular educational activity in which teams of students solve open-ended challenges and present their solutions at tournaments. Students develop leadership, artistic, performing, writing, technical, building, and teamwork skills, and more while working in a fun environment. There will be an informational Zoom meeting on Monday October 30th at 7:00pm. To receive the meeting invite or to ask for more information, please email our DI Coordinator Lissa Winrow at lwinrow@comcast.net. Lissa will be happy to meet with anyone that would prefer an in-person meeting.
