STEAMING INTO THE SCHOOL YEAR!

Classes this week worked in STEAM to make a booklet to record their designs and observations in developing their ideal, creative classroom. Students discussed adding water parks, video games, and their teachers' favorite drink machines to their designs. Ask your student what type of things they included into their group's design.

SEVERE WEATHER DISMISSAL PLAN

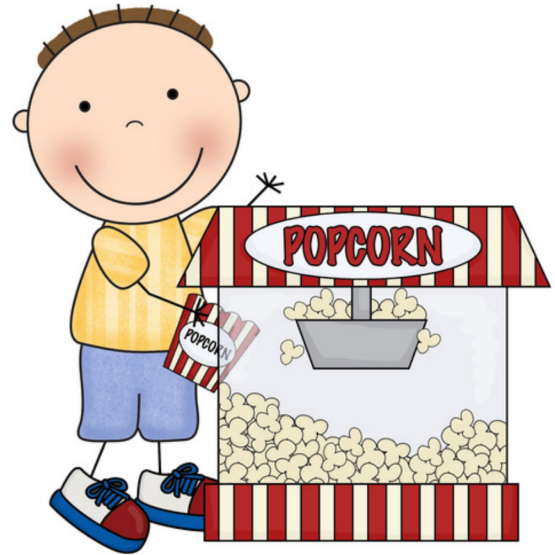

There will be times during the school year that we will need to keep students inside the building during dismissal due to severe weather such as heavy rain or a thunderstorm. On these days, we need parents/guardians to pick-up by car only. We will not be able to accommodate the on-foot traffic.

Students who walk alone off campus will be held at school until they are picked up by an adult or wait with us until the weather changes. Please call the school if you want your child's dismissal to change on these days.

POPCORN IS COMING!!!

This is the last week to sign up for Popcorn Friday Pre-Buy! Popcorn is 50 cents for a full bag of "movie theater type" popcorn popped by our amazing PFT volunteers. Enjoy a delicious bag for a Friday snack. Find all the information you need at www.mapleavenuepft.com.
