

SAU 19 Permission Regarding Student Privacy
The Use of Electronic Video and Communications
for All Students PreK-12

SAU 19 uses Zoom, Microsoft Teams, Big Blue Button, and potentially other forms of electronic video and communication to support your student's education and related services. We take all reasonable measures to preserve student privacy and your privacy. These forms of communication have a feature for participation with students 1/1, in small groups, whole class, and larger groups. If your student is participating in instruction utilizing online platforms, please note that it may be possible for parents/guardians of other children in the group to see your student. Please maintain confidentiality and respect the privacy of all students during this time of connected/remote learning. **Unauthorized audio or video recordings and/or pictures of these sessions, as well as any sharing through social media, is unlawful.** Any recordings must be made and used in accord with Family Educational Rights and Privacy Act (FERPA) and state law. See RSA 189:68, V.

Exemption provision: If you object to the use of these teaching tools, and you do NOT authorize our educators, service providers, related service providers and educational support staff to have contact with your student and you through these forms of electronic media, including but not limited to Zoom, Microsoft Teams, Big Blue Button and others, please email your student's Principal. GHS parents/guardians should email Kimberly McCann. Your student's Principal and Mrs. McCann are available to answer any questions you may have.

I am authorizing my student to participate in Zoom, Microsoft Teams, Big Blue Button, and potentially other forms of electronic video and communication that support my student's education and related services.
