

**Goffstown High School Athletics  
Hudl Video – Informed Consent and Release**

Dear Parent/Guardian,

As part of our commitment to supporting student-athletes at Goffstown High School, we utilize Hudl, an international online platform designed for athletic video analysis and college recruiting. Hudl allows coaches and athletes to review game footage, improve performance, and create highlight reels for college recruitment.

To ensure compliance with privacy and digital media policies, we require parental/guardian consent for student-use of Hudl. Questions regarding Hudl should be forwarded to Athletics Director, Ryan Cowette at [Ryan.Cowette@sau19.org](mailto:Ryan.Cowette@sau19.org).

**Parent/Guardian Acknowledgement and Consent to Use Hudl**

The Goffstown School District utilizes Hudl, and my student’s athletic performance may be uploaded to Hudl for team review and coaching purposes.

My student may independently use Hudl to create and share highlight videos for college recruiting purposes.

As part of using Hudl, my child will be providing his/her **name, email address, and will create a password** to use this online application.

By entering into this informed consent and release, and granting the permission as stated herein, also am releasing the Goffstown School District and their respective officers, directors, agents and/or employees from and against any and all liability, loss, damage, costs, claims and/or causes of action arising out of or related to my child’s use of Hudl.

I have read this Informed Consent and Release and understand its terms. I have also reviewed [Hudl’s terms of service](#) and [privacy policy](#) and I am expressly authorizing my child to participate, use, and submit content on Hudl.
