My name is Ms. Balsama and I am so excited to be your first-grade teacher this year! This is my first year teaching, I graduated from SNHU and completed student teaching for a full year in Bedford. In first grade we will do lots of reading, writing, math and science activities. I hope to spend a lot of time outdoors, exploring nature and learning about the world around us!

I love to read, do you? Tell me what your favorite book is and send me an email telling me about yourself if you'd like! Ms. Balsama loves Frog & Toad books.

I cannot wait to meet you, we are going to have an AWESOME year!
