

Welcome to Mrs. LeBourveau's

2nd grade Class!

Meet and Greet

Join me and your classmates for a classroom visit on **Thursday, August 27th from 1:00-2:00pm**. You're also welcome to bring your child's school supplies that day to drop off, so they don't need to carry them on the first day of school.

Classroom Supply List

- A backpack (large enough to fit daily folder and lunch box)
- A regular Pencil Box (Zipper pouches are discouraged because they are hard to see and pull items from quickly)
- 1 box of 24 Crayola Crayons
- 1 box of 10 Crayola Markers
- Package Black Dry Erase Markers (thin line if possible)
- Plain Pencils
- Erasers
- Glue sticks (Elmer's Purple ones preferred)
- Scissors (optional)
- Headphones labeled (No wireless or ear buds, these will be used for iPads)

Classroom Wish List

We use LOTS of paper towels, soft tissues, post it notes, sandwich & gallon Ziplock bags and ECO-FRIENDLY wipes! If you can donate any of these items, it would be greatly appreciated!

Thank you!

Welcome

Let me take this opportunity to introduce myself. My name is Jillian LeBourveau, and I am very excited to be your child's teacher this year! I have a master's degree in Elementary Education and a master's degree in Literacy. This is my twelfth-year teaching at NBCS! I have traveled all over the world; lived in many states and another country as a military spouse, but I am most proud to call New Boston my forever home. It is truly a special place.

I love being a teacher and feel that it is one of the most rewarding professions. I love children and their passion for learning. As a teacher and a mom of two, I feel as though I will provide a safe, positive, and loving learning environment to your child to develop to their fullest potential academically and socially.

As you know I am only their teacher for ten months and you are their teacher for life. As their parents, you are the most important adults in their lives. You know your child's strengths and feelings of inadequacy. With that said, you can be a tremendous source of information to me, and an invaluable extension of support for your child's education at home. With our unified effort and commitment to your child's education, we can be assured of a successful school year!

Enjoy the rest of your summer!

Sincerely,

Mrs. LeBourveau
