

8/1/26

Dear Friend,

Hello! My name is Mrs. Marchesseault, and I am so excited to be your Kindergarten teacher this year! I can't wait to meet you and begin our wonderful journey together. We have so many fun games, exciting learning activities, and great stories ahead of us. Most of all, we will be building friendships and creating a happy classroom community where everyone belongs.

To get started, here are the few supplies you will need: a backpack, lunchbox, water bottle, pocket folder (a sturdy cardboard or plastic one works great!), and a change of clothes to keep in your backpack. Your folder and backpack will help carry your special work and belongings back and forth from school. Please remember to label all of your items with your first and last name.

I am really looking forward to getting to know each and every one of you! I bet you are wondering a little about me, too. I LOVE teaching kindergarten. It is such a joyful and special time! I live in Hooksett with my husband, Leo, and my daughter. In the summer, I enjoy reading, hiking, kayaking, going to the beach, and spending as much time outdoors with my family as I can.

You are invited to stop by our classroom and visit before school begins! Come meet me and take a look at your new classroom on **Thursday, August 27th, between 1:00-2:00 PM**. I would love to see you!

During our first week together, we will be learning all about one another. To help us get started, please bring a lunch-sized brown bag (or something similar) with **5 items inside that tell us about you**. These can be things that are special to you, things you enjoy, or things that make you unique. Please do not include fragile or expensive items. Have your bag ready for the **first day of school, August 31st**. I can't wait to learn all about you! I am so excited to meet you very soon and begin our kindergarten adventure together.

Warmly,

Mrs. Kathy Marchesseault
