

8/1/26

Dear Preschool Friends,

Hello! My name is Ms. Kacy, and I am excited to be your preschool teacher this year. I can't wait to meet you and begin having fun and learning together. Our classroom is a fun and exciting place to be. Our classroom is like a big family and everyone is an important part of our classroom!

You won't need to bring many supplies as I have most of the things you will need. All you need to bring is:

- a folder to bring back and forth, make sure it is sturdy as it will bring your work and notes home to families and notes to me all year
- a backpack big enough for this folder
- a lunch or snack bag and water bottle
- a full set of spare clothing
- Diapers/pull-ups/wipes (these can stay here)

Please remember to label all items that come to school.

I look forward to getting to know you all. Here are a few things about me:

This is my second-year teaching preschool at NBCS, and I have worked in early education for 20 years. I live here in New Boston with my husband, our two daughters and our dog. We have lived in town for 15 years. In the summer, I enjoy reading, running, and spending time with family. Our family loves to vacation in Maine.

You are invited to stop by and visit myself and the classroom before school begins on **Thursday August 27, between 1:00-2:00pm**. I can't wait to see you then.

We will spend the first week of school getting to know each other and our new routines and our classroom expectations. I can't wait to start our journey together. I am excited to meet you!

Warmly,

Mrs. Kacy Belleville
